

**B.V.V.Sangha's**  
**Basaveshwar Engineering College(Autonomous) Bagalkot**  
**Department of Automobile Engineering**

---

**PROGRAM EDUCATIONAL OBJECTIVES (PEOs)**

<b>PEO1</b>	To prepare the students with knowledge in basic science and engineering to meet global challenges
<b>PEO2</b>	To develop the students in automotive engineering, thermal, design, manufacturing, autotronics in line with present technology
<b>PEO3</b>	To develop the students as entrepreneurs and encourage to pursue higher education and research

**PROGRAM SPECIFIC OUTCOMES (PSOs)**

<b>PSO1</b>	Apply engineering basic knowledge with modern computing tools in solving problems of design, production and servicing domains
<b>PSO2</b>	Mould and develop engineers to serve in industries as professionals or entrepreneur
<b>PSO3</b>	Prepare engineers to undertake research and higher learning
