Organized STTP/Conferences/Workshop

- AICTE sponsored workshop on “EDA Tools”, 19 to 21 October 1995
- AICTE & ISTE sponsored workshop on “Embedded systems and application”, 20 to 27 March 2004
- AICTE & ISTE sponsored workshop on “Semiconductor Physics & VLSI Design”, 17 to 19 February 2005
- FDP on “internet protocols”, 21 to 26 August 2006
- FDP on “Embedded System”, 5 to 10 February 2007
- FDP on “Computer Network & Simulation”, 21 to 23 February 2008
- FDP on “Wireless Sensor Networks”, 24 to 28 February 2009
- FDP on “Recent Advances in Wireless Sensor Network”, 10 to 12 February 2011
- FDP on “Recent Advances in Wireless Networks”, 16-18 May 2013
- Organized & Coordinated two days Student Development Program on “Campus to Corporate” under TEQIP-II. May 18-19 2013.
- National workshop on Implementation of signal processing algorithms using FPGAs, 23-25 May 2013
- FDP on “Technical Documentation using Latex”, 27-29 May 2013
Faculty development programme on Soft and Evolutionary Computing Techniques and its Application, 30-01 June 2013

FDP on “Design, Modeling and Simulation of MEMS devices”, 10-12 July 2013
