

Workshops/ Short-Term Courses/ Seminars Organized:

1. "Microprocessor Laboratory", two-days Workshop, 20-21 April 2000. Sponsored by Department of Electrical & Electronics Engineering, BEC, Bagalkot and Visveswaraya Technical University, Belgaum in Karnataka.
2. "Recent Trends in Renewable Energy Resources", two-weeks AICTE-ISTE sponsored short term training programme, 03-15 September 2001.
3. "KSHITIJ-03 – National Level Student Technical Contest" – [Technical paper contest, quiz, on-spot programming and technical seminars], 15-16 November 2003.
4. "KSHITIJ-04 – National Level Student Technical Symposium" – [Technical paper contest, quiz, on-spot programming and technical seminars], 15-17 October 2004.
5. "Learning Organization and Knowledge Management", one-week AICTE-ISTE short term training program, 16-21 February 2004.
6. "Embedded Systems and Applications", one week AICTE-ISTE short term training program, 22-27 March 2004.
7. "Computer Awareness Training for Women", two weeks, organized under Tribal & Women Development, BEC-TEQIP, 18-30 August 2005.
8. "Communication Skills", three day workshop, organized under Tribal & Women Development, BEC-TEQIP, 27-29 October 2005.
9. "Electricity and safety Awareness", for women, three day training, organized under Tribal & Women Development, BEC-TEQIP, 23-25 Feb 2006.
10. "Counseling Techniques" for faculty one-day workshop under faculty development, BEC-TEQIP 25-08-06.
11. "Global skills enhancement" for girls, three day work, organized under Tribal & Women Development, BEC-TEQIP, 15-17 Sept. 2006.
12. "Alternate Energy System Concepts", for women, three day training, organized under Tribal & Women Development, BEC-TEQIP, 10-11 Jan 2007.
13. "Challenges of modern nutrition-A healthy family", for women, three day training, organized under Tribal & Women Development, BEC-TEQIP, 19-20 Jan 2007.

14. "Power Electronics Applications to Renewable Energy Systems", one-week short term training program under Faculty Development, TEQIP, BEC Bagalkot, 17-22 October 2005.
15. One week Short Term Training Program On "Power Electronics Applications to Renewable Energy", Sponsored by TEQIP on Oct 2005.
16. One day workshop "MATLAB Programming for Electrical & Electronics Engineers", Sponsored by TEQIP on 16th Oct 2006.
17. "MATLAB Programming for Electrical & Electronics Engineers", one-day workshop under Faculty Development Activity of BEC-TEQIP, BEC Bagalkot, 16 October 2006.
18. "Arunodaya-Solar Energy Awareness Program", one-day training program organized in collaboration with Tata BP Solar India Ltd., Bangalore on 23rd Aug 2007 on the occasion of celebration of Rajiv Gandhi Akshay Urja Club of BEC Bagalkot.
19. "Emotional Intelligence and Effective Leadership", one-day workshop under Faculty Development Activity of BEC-TEQIP, BEC Bagalkot, 27 March 2007.
20. "Programmable Logic Controller", One week training for engineering students, organized under Tribal & Women Development, BEC-TEQIP, 08-13 July 2007.
21. "Modeling and Simulation using MATLAB-SIMULINK for Electrical & Electronics Engineers", two-days workshop under Faculty Development Activity of BEC-TEQIP, BEC Bagalkot, 22-23 March 2008.
22. "Advanced Topics in Power System Engineering", one-day colloquium under Faculty Development Activity of BEC-TEQIP, BEC Bagalkot, 15 March 2008.
23. "Enterprise Systems and Service Oriented Architectures", International Workshop under Faculty Development Activity of BEC-TEQIP, BEC Bagalkot, 7-19 March 2008.
24. "Auto CAD Electrical", three-days training program for E&EE students organized by E&EE Department, BEC Bagalkot, 26-28 February 2008.
25. "FPGA based System Design using ALTERA Tools", one-day workshop sponsored by E&EE, BEC-IEEE and Enixs India Pvt. Ltd Bangalore, 10th October 2009.
26. One day workshop FPGA SYSTEM DESIGN USING ALTERA TOOLS sponsored by Altera, IEEE Bangalore section and BEC Bagalkot on 10th Oct 2009.
27. "Awareness and Applications of MiPower Software", two days workshop by Power Research & Development Consultants Pvt. Ltd., Bangalore. 21-22 Oct 2010.

28. "Renewable Energy Options for Heating and Lighting in Public buildings, Hospitals, Hotels, Educational Institutions and Tourist/Religious Places" two days state level seminar cum exhibition. Sponsored by MNRE Govt of India and Energy Department Govt. of Karnataka. Organized by KREDL Bangalore and BVVS BEC Baga1kot. 29th and 30th April 2010.
29. "KPTCL at a Glance", seminar by Sri. S. C. Kalasad KAS, Director Admin & HR, KPTCL Bangalore and "Get-together of Alumni of BEC working in KPTC and all ESCOMS"; and "Inauguration of Alumni Association of BEC Graduates working in KPTC and all ESCOMS", on 13-14 Feb 2010.
30. "Understanding Power Systems through Software Packages", one day seminar by Dr. R. Nagaraja, MD PRDC Bangalore organized by BEC-IEEE student branch. 06.02.2010.
31. Seminar on "Recent Developments in Solar Energy" by Mr. Shivanand Mareguddi, Engg Procurement Officer, Control Technologies, Sydney Australia on 16th April 2012.
32. Two day hub level event titled "Inn-Wie-tion" – Workshop on MatLab, Robust: Robotic contest, Quizes: Acquantomath, IT and General, Movie making competition on theme "Women in Engineering". 31st March and 1st April 2012.
33. Seminar on "Innovative Ideas and Projects" by Dr. R. N. Herkal, Principal BEC Bagalkot on 22nd March 2012.
34. Two days workshop on "How to Teach Electromagnetics", "Nanoelectronics" and "Recent Developments in Wind Turbine Generators". Speakers: Dr. Anand K Kulkarni, Professor of Emeritus MTU MI USA and Mr. Damodar K Kulkarni, Electrical Consultant Gujarat. Date: 15th and 16th Feb 2012.
35. One day workshop "Curriculum Development, Revision and Restructuring – M.Tech PES", on 4th March 2013 under TEQIP-II.
36. Three days SDP on "Electromagnetics", by Dr. Anand K. Kulkarni, Professor of Emeritus, Dept of ECE, Michigan Technological University, USA, 1st to 3rd March 2013. Organized under TEQIP-II.
37. Two days National Workshop on "Sustainable Innovation – an End-to-End Approach from 29th to 30th Jan 2014 organized under TEQIP-II.
38. Two days hands-on workshop on "MatLab Programming for Electrical and Electronics Engineers", on 30th and 31st Dec 2013 under TEQIP-II.
