Department Association Activities:

Every year students of ITSA family actively involve in conducting and organizing the extra and co-curricular activities in the department. This helps our students to develop their personal soft skills and also these activities help them to face the campus and off campus interviews.

To list some of them are as follows:

Events	Developed/ organized by	Duration	Resource Persons	Target audience	Usage and citation, etc.
Technical talk on "DSP Processors"	ITSA (Dept. Association)	27/11/2009 (One day)	Outside faculty	Students of IT Dept.	Strengthening theoretical knowledge
Short term course on "Computer Networks"	ITSA (Dept. Association)	8-11-2010 to 13-11-2010	College faculty		Strengthening theoretical knowledge
Visit to Industry	Institute	28-3-2012	Gem Sugars, Bagalkot	In-house, outside faculty and students	Exposure to industrial scenario
Visit to Industry	Institute	12-4-2014	Kirloskar Ferrous Industry, Bevinahalli, Hospet	students	Exposure to industrial scenario
