Open Electives for Even Semester 2021-22

(March 2022 to July 2022)

Open Elective (OE) means an elective course which is **available for students of all programmes**, excluding the students of same department. The students of other departments will opt for these courses subject to fulfilling of prerequisites as laid down by the Department offering the course.

Instructions for selecting the Open Electives for 6th Semester BE

1. Before selecting the options for the Open Elective courses, go through the syllabi of all the Open Electives offered for the academic year 2021-22, (even sem). The concerned faculty advisor may be contacted for any suggestions/clarifications.
2. Kindly indicate your preference/choice in decreasing preferential order. Ex., if UBT632N is your most preferred elective, enter 1 before the subject. Write your options (numbers) before all the subjects, without leaving any subject.
3. The option entry for Open Electives is now available on the portal. **The last date for entering preferences is 15th March 2022. No further extension of date is permitted. In case you have not exercised your options, Open Elective will be allocated by the system/software, considering the vacancy.**
4. A course will be offered only if a minimum of 25 students opt for it.
