

DEPARTMENT ASSOCIATION

Association Name: IEEE Power and Energy Society SB Chapter (35261A)

About the Association: IEEE Power and Energy Society Student Branch Chapter (35261A) represents current student professional society within the Dept. at BEC, Bagalkot and established in the year 2016. Our goal is to organize social and professional activities which strengthen and enrich the community within the department and to help publicize various research activities within the department. We organize social events; host talks by guest speakers and students and help communicate with the department and the students.
