From Digital Electronics to Process Control all the efforts and hard work our Professors invested to bring out the best in us can never be repaid in mere words. I was one of those lucky and fortunate student passed out in the year year 2003 from department of Instrumentation Technology, BEC, Bagalkot. TOP notch infrastructure and the entire college is well maintained with lots of trees and plants which makes the Campus more beautiful and lively. Smart classroom, well maintained library, sports grounds, good hostel rooms, and locality with green area which keeps our college ahead of others. Thank you again to all my professors for guiding me through out my college days, I couldn't have done without your support.

Education plays a vital role in every person's life. The four years of education at Basaveshwar Engineering College has contributed to strengthen basic engineering knowledge and boost my confidence to pursue academic and professional aspirations. Excellent infrastructure and distinguished faculty, the opportunities provided and the social responsibilities inculcated, is what made BEC a better place to learn.

I always feel grateful to my teachers, placement team, laboratory staff and office staff who extended help, guidance and support all along.
