Testimonial:

Had a great bonding with the department throughout the 4 years. The Information Science department was nothing short of scholarly lecturers, modern infrastructure, required tools and software and a dedicated team led by Shri P. V. Kulkarni sir who was instrumental in taking the department to the new heights. The effort put forth by faculty really helped to get the confidence and skills required for the career ahead. I am really grateful for all the teaching and non teaching faculty of the department.

Alumni Name:Vinayak Inamdar

Testimonial:

About College : "Na hi jnanena sadrisham, pavitram iha vidyate". Nothing is more sacred than a knowledge. The role of educational institution is very much important in student's life, which will decide the fate of the student. The Basaveshwar Engineering College has been committed to delivering the quality knowledge since from 1963. BEC has been a life transforming journey for me. Right from ethics, professionalism to advanced technological knowledge, those four years helped me to get a proper shape as a skilled ENGINEER. Be it in academics or extracurricular activities, faculty has supported in all possible ways. I cherish every moment I spent in college along with faculty and friends.

About Department : Had a great bonding with the department throughout the 4 years. The Information Science department was nothing short of scholarly lecturers, modern infrastructure, required tools and software and a dedicated team led by Shri P. V. Kulkarni sir who was instrumental in taking the department to the new heights. The effort put forth by faculty really helped to get the confidence and skills required for the career ahead. I am really grateful for all the teaching and non teaching faculty of the department.

Alumni Name: Amrut Godakhindi

Testimonial:

Even though I am from first ISE batch in BEC, the infrastructure provided by the college was excellent for a new course. The teaching staff is very much accomplished and laid down very strong technical foundation for me in information science field. It has inspired me to this day and even after 17 years in corporate job, I am still in technical role by choice!
