1.	Anti-ragging Awareness	06/03/2021	 <p>As per directions & regulations of university, to eradicate and curb the ragging, anti-ragging committee is constituted in the college, to create awareness among higher semester students. In this regard anti-ragging awareness program is organized in the department to know the anti-ragging policies of the college for third and final year students of Mechanical Engineering Department. This program was organized on 6th March 2021 at 12.15 PM in department seminar hall. Head of the Department Dr M S Hebbal was presided and explained the effects of ragging and appealed the prefinal & final year students that guide the freshers to create the good harmonious academic environment. Anti-ragging college committee member Prof S C Yali explained about the anti-ragging guidelines of the college and precautionary measures to be taken by the students during their stay in campus as well as in hostel and also appealed the prefinal & final year students not to indulge in ragging which will spoil the relation & lower the confidence of fresh students. Prof. M M. Ganganahallimath Prof S S Davanageri , Prof S M Jigajinni and Sri Jagdish Honnihal were present in the program.</p>

2.	Experimental investigation and non linear finite element analysis of pipe elbow subjected to combined loading	08-08-2020	https://youtu.be/LMBoB6jrvk
3.	Artificial Intelligence in Manufacturing	14-08-2020	https://youtu.be/ojOV7cjL6cg
4.	Our health in our hand	08-01-2021	https://drive.google.com/drive/folders/1xoFAIGkkOG-WnoInrMfzr4qGwG9HbIzi?usp=sharing
5.	Introduction to reliability Engineering	09-01-2021	https://drive.google.com/drive/folders/1xoFAIGkkOG-WnoInrMfzr4qGwG9HbIzi?usp=sharing

	<p>6. International Asteroid Search Campaign (IASC), a collaborative Citizen Science Programme by National Aeronautics and Space Administration (NASA), USA.</p>	<p>October, 2020 to December, 2020</p>	 <p>Mr. Amogh Nagaraj Deshpande, Mr. Sharvin S Melligeri , Mr. Abhishek S Tadalgi of 6th Semester have been part of International Asteroid Search Campaign (IASC), a collaborative Citizen Science Programme by National Aeronautics and Space Administration (NASA), USA</p>
